Dorothy Day, Disciple of the Lord, walk with the people of Ukraine this day. Bless them with wisdom and prudence. Restore them with justice and temperance. Defend the lowly and the poor. Rescue them from the hand of the wicked. Deliver them from great powers contending over their land, so that peace with respect for human life and dignity will reign forever and ever.

This miracle we pray for in the name of the Christ who daily is crucified along the streets and highways and among the people of Ukraine, Amen.
